

ANDREY VARLAMOV

FRONTEND DEVELOPER
LEAD/SENIOR

dronvas@gmail.com 
[vas-company](#) 

SKILLS

- Product Development
- Architectural Pattern Establishment
- Software Requirement Analysis
- Team Building and Relationship Management

TECHNOLOGIES

Angular 2+ (latest versions 15-17), React(v18), NX, Redux NGRX, RxJs, Angular Material, Ant Design of React, SCSS, Azure Pipelines, GitHub Actions, Postman, Swagger, Prettier, ESLint, SonarCloud, Snyk, Visual Studio Code

WORK EXPERIENCE

Lead Frontend Developer | Claro, Lithuania, Remote *June 2023 – Present*
[www.claroanalytics.com](#)

- Managed roadmaps and delivered new features
- Developing web app communication with OpenAI ChatGPT, Google DialogFlow
- Creating Angular SPAs supporting Microservices Architecture (Angular 17, Angular Module Federation)
- Creating React SPAs supporting Microservices Architecture (React 18, Single Spa, WebPack)
- Building Chrome extensions using Manifest V3 (Angular, TypeScript, JavaScript)
- Configuring CI/CD processes for Frontend development (Docker, NX)

Tech Stack: Angular v17, React v18, TypeScript v5 **Code Quality:** Puppeteer, Jest, ESLint, Prettier, SonarCloud, Storybook **Infrastructure:** Bitbucket CI/CD, Git, Jira

Senior Angular Developer | Awario, Cyprus, Remote *February 2022 – March 2023*
[www.awario.com](#)

- Defined Angular coding standards
- Specified and documented high-level design patterns
- Designed and delivered new features
- Managed roadmaps for technical and code quality improvements
- Managed Angular application updates from v9 to v14
- Collaborated with DevOps to build code quality via CI/CD processes

Tech Stack: Angular v12, TypeScript v4 **Code Quality:** Jasmine + Karma, Jest, ESLint, Prettier, SonarCloud **Infrastructure:** TeamCity, GitLab CI/CD, Git, Jira

Lead Developer (UI Architect Role) | Juriba, England, Remote June 2018 – December 2021
www.juriba.com

- Promoted to UI Architect Role and encouraged UI development culture
- Building frontend teams (successful experience managing up to 12 developers)
- Specified and documented high-level design patterns
- Designed architecture solutions for new features
- Used Jest engine for unit testing and SonarCloud to build code quality for Angular project in interaction with DevOps
- Encouraged UI development culture and UI development cycles across sprint teams in cooperation with UI DevLead

Tech Stack: Angular v12, TypeScript v4 **Code Quality:** Jest, ESLint, Prettier, SonarCloud

Infrastructure: Azure Pipelines, GitHub Actions, Git, Jira

UI Tech Lead, Fullstack | Sharpdev, Worldwide, Remote November 2016 – June 2018
www.sharp-dev.net

- Developed features across projects for clients in the USA, England, and Germany
- Mentored and supported developers across development teams

Tech Stack: Frontend: AngularJS, Angular 2+, TypeScript, UI Devextreme **Backend:** ASP.NET CORE 2.0, ASP.NET MVC 4, SignalR, WebSockets **Code Quality:** NUnit **Infrastructure:** TeamCity Pipelines, Bitbucket, Git, Jira

Senior Software Engineer | Design institute “ONHP”, Russia June 2015 – November 2016
www.onh-it.ru

- Developed a 3D visualization system for laser scanning results
- Managed technical roadmaps and chose coding standards, libraries, and development environments

Tech Stack: Win Client: WinForms, DevExpress, 3D Cad engine devdept Eyeshot **Backend:** ASP.NET Core RC1 -> RC2, WebApi, SignalR, ProtoBuf, JSON **Database:** PostgreSQL + PostGis **Code Quality:** NUnit, SonarQube **Infrastructure:** Jenkins Pipelines, GitLab + SmartGit, YouTrack

Software Engineer | Design institute “SGNHP”, Russia August 2012 – March 2015
www.sgnhp.ru

- Developed software for construction departments (WinForms / WPF clients for OS Windows)

Tech Stack: C#, WinForms / WPF, MS SQL, GMap.NET **Infrastructure:** XenServer, XenDesktop, HDX3DPro, Nvidia Grid K2

EDUCATION

Engineer's Degree: Automation of Technological Processes and Production Ufa State Aviation Technical University *September 2007 – June 2012* www.ugatu.su/en/

LANGUAGES

- English (Professional working proficiency)
- Russian (Native)
